

Sponsorship Opportunities

Saturday, May 9th, 2020

Hanford Bowl (Hanford High Stadium)

United Cerebral Palsy Central California serves over 1,100 adults and children with developmental and intellectual disabilities including cerebral palsy, Down syndrome, autism and traumatic brain injuries. Your sponsorship will help us continue to provide life-changing programs for the children, adults and families we serve. We do not receive funding from the national UCP office. Ninety percent of every dollar donated goes directly to local programs for adults and children. Your sponsorship will make a difference in the lives of real people in Central California.

We desire a world where a disability is neither limiting nor defining.
